National Protective Security Authority

Manufacturer

Manufacturer Name:	Heras
Post Code:	DN4 8JP
Address Line 1:	APEX Building 1 Water Vole Way
Address Line 2:	Doncaster
State/County:	South Yorkshire
Telephone:	0808 164 2250
Website:	http://www.heras.co.uk
Email:	Sales@heras.co.uk

Specification

The system has been assessed on a 100 metre section of galvanised chain-link fencing of 2.4 metres panel height plus a 3 strand barbed wire topping extending a further 450mm upwards.

The fence included a 90 degree change of direction with corner and bracing posts.

This product can also be used in conjunction with the Heras CentrAlert product - CentrAlert is a 19” rack mounted system that allows up to twelve separate dual zone analyser cards, i.e. up to twenty four zones, to be installed in one unit. Further zones can be incorporated by using additional CentrAlert racks

Product Updates

REVISION DATE	COMMENT
06/06/2023	HERAS previously announced the end-of-life of various products on the Geoquip product line (EoL announcement dated 09/04/21). Heras have confirmed this decision has been reversed and this product is now confirmed as available
