

Apex Engineering Group

Apex 'Templar' Keybox

Category: Security Containers

Sub Category: Security Boxes

Description

This wall mountable key box has capacity for approximately twelve keys on fobs. The keybox will accept any approved high security lock. It can be wall mounted with ease.

The full Templar range is available with a choice of high security locks.

However they are available to exact customer specification, alternative widths and depths available on request.

Available in a choice of RAL colours.
