Specification

The Gallagher F1600SE is a Monitored Pulse Fence system (MPF). Providing a safe short sharp shock to any potential intruders.

The MPF can hosted on palisade, mesh or chain link host fences.

The MPF extends to a height of 1600mm above the host fence on the attack face.

Gallagher Dual Pulse technology provides monitoring on all wires within the live array.

The F1600 SE was tested against NPSA's Barrier Mounted PIDS Standard v6 (Oct 2019)
