

# Think before you link

Connecting with unknown profiles  
on social media can put you and  
your organisation at risk.

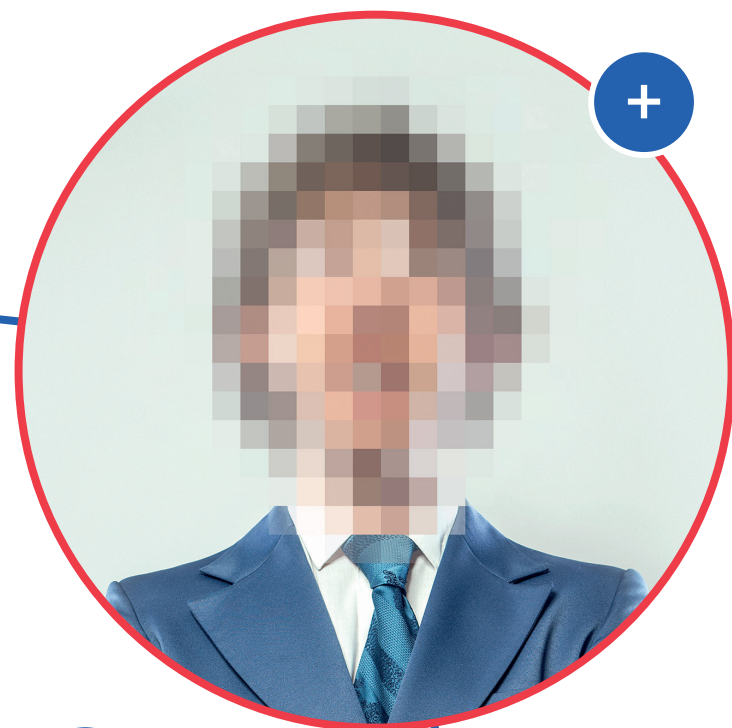

Stay safe, remember the four **Rs**

**R**ecognise — **R**ealise — **R**eport — **R**emove  
the profile? the potential threat to your Security Manager them from your network

National Protective  
Security Authority

# Check before you connect

Your new connections aren't always who they say, and this can put you and your organisation at risk.

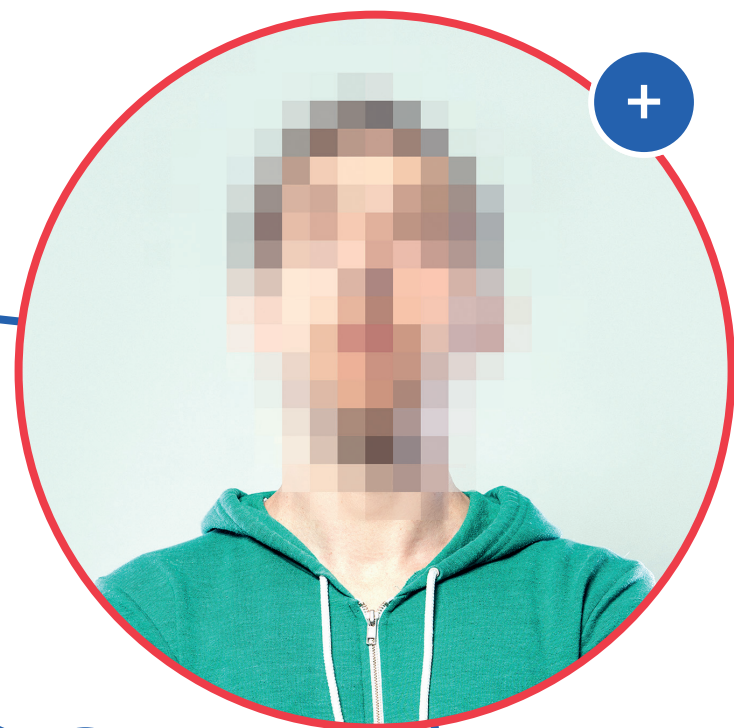

Stay safe, remember the four **Rs**
